Welcome to the People's Food & Farming Alliance (PFFA)! Our mission is to empower individuals and communities through education and networking, to build a future where food security, independence, and sustainability are within everyone's reach.

By supporting and getting involved with the PFFA, you can play a crucial role in building resilient local food systems and thriving communities across the UK.

Our focuses

- Empowerment through education
- Community building
- Support local producers
- Wellbeing & connection
- Sustainable future

Join the People's Food & Farming Alliance today and **become a part of the movement** towards a more **sustainable, secure, and self-sufficient** food system.

Join a membership to grow your skills or sign up as a Regional Ambassador to start building community.

Whether through our paid memberships, participating as a Regional Ambassador, or supporting local projects, your involvement makes a difference.

TOGETHER, WE CAN CULTIVATE A THRIVING FUTURE FOR ALL!
